SAY IT WITH ME

We all know that one line from the movie *Jerry Maguire*. You can picture it in your head: Tom Cruise and Cuba Gooding Jr., bantering back and forth over the phone, until they are both screaming, "Show me the money!"

Admit it — there are times you are chanting right along with them. I know I have. It is easy to understand why this phrase has become ingrained in our culture: we all dream of making it big time.

At AIL/NILICO, you have that chance, and I can honestly say our opportunities are unlike those anywhere else. We give you the tools and the training, and then it is your turn to make your dreams happen. Of course, we are happy to throw a little extra incentive to succeed your way.

In this issue of the *Spotlight*, you will be able to read about the new bonus changes we are implementing. Our bonuses have always been our way to reward the hard-working individuals who strive to make this company great, and we would never change that. Instead, we are happy to introduce new rewards for our field force, and what better way to encourage success than with a little extra cash each month? Let's face it — there is a reason why the aforementioned quote headlines our bonus page.

If you want to take full advantage of these bonuses, then now is the time to act. Increase your activity, practice your presentations, and perfect your craft. And who knows? Maybe you will start hearing that other famous quote at all of your appointments: "You had me at hello."

Dates to Remember

Wednesday, June 27, 2007
 All business and PR credits must be at the Home Office to count for June production.

Total Bonuses Paid Out

This month AIL and NILICO paid a total of \$916,218.01 in bonuses. For more information on the monthly bonuses, turn to Page 17.

Required Retention Rate

Effective Jan. 1, 2007, to be eligible for bonuses and featured in *Spotlight*, Producers must meet the required Retention or the minimum Net to Gross. Net to Gross varies based on bonus guidelines. The rates listed below are for *Spotlight* recognition only. Net to Gross is used only during the Producer's first eight months.

Retention:	68%
Net to Gross:	78%

Look for the Asterisk

The asterisks, shown throughout the magazine, indicate that place will be a year-to-date award winner. The Producers, who will be recognized at the 2008 Awards Presentation, are: the top SGA from each category, the top two PR Managers, the top two PR Representatives from each category, the top RGA, the top five MGAs, the top five GAs, the top SA, and the top ten Individual Producers. You can view the 2008 Convention Qualifications online at www.aillife.com or www.nilife.com. *Check your production! If there is an asterisk by your position, you could be on your way to the World's Best Beach Golf Resort and Spa in Puerto Rico! The convention will be held May 15-18, 2008.*

Congratulations are in Order!

Matthew Gonzalez, an MGA with the Mark Gorman Agency, achieved \$100,000 of 13-month in force premium.

AIL/NILICO Million Dollar Club

We salute Scott Remy of the Eric Gighione Agency. He just became the newest member of the AIL/NILICO Million Dollar Club based on his production.

The Million Dollar Club was introduced to reward Personal Producers who produce \$1 million of Net ALP from 1999 forward to the end of a production year. These producers are recognized at the next Convention and receive a \$5,000 bonus check.

Congratulations, Scott!

Thank You, Hugh!

After many wonderful years with American Income and National Income, Hugh Walsh is retiring from his position as Assistant Vice President and Assistant Executive Director of the Labor Advisory Board. We will miss his leadership and advice, and we wish him nothing but the best.

Thank you, Hugh!

BONUS CHANGES

We are excited to announce these new bonus changes, which will become effective July 1, 2007.

Weekly New Agent Bonus Plan

Agents contracted in their first 8 months who submit \$1,000 of gross ALP in the week as shown on their weekly advance report are eligible for this weekly bonus. The bonus calculation is based on the Net ALP for the week. The bonus percentage varies based on consecutive qualifications of the weekly bonus.

- 1st weekly bonus = 5 percent of Net ALP for the week
- 2nd consecutive weekly bonus qualification = 10 percent of Net ALP for the week
- 3rd consecutive weekly bonus qualification = 15 percent of the Net ALP for the week

Each consecutive qualification after that, the agent would continue to receive a bonus at the 15 percent level.

If the agent fails to qualify in a week, they start over at the 5 percent bonus eligibility amount.

In order to be eligible for the bonus, Agents in their first 8 months must also meet the required net to gross ratio. Starting with the 9th month, the agent is eligible for the Retention Bonus.

BR Bonus

This monthly bonus will be calculated as a percentage of the Weekly New Agent bonus earned by agents under an MGA during the month. The MGA is eligible for the BR Bonus based on the following percentage of the Weekly New Agent bonus paid out:

MGA

- 40 percent of the New Agent Bonus paid at the 5 percent level
- 50 percent of the New Agent Bonus paid at the 10 percent level
- 70 percent of the New Agent Bonus paid at the 15 percent level

In addition to the percentage available to the MGA, an extra 50 percent of the MGA's bonus is available to the SA or GA, whichever is the direct up-line manager of the New Agent.

SA or GA

- 20 percent of the New Agent Bonus paid at the 5 percent level
- 25 percent of the New Agent Bonus paid at the 10 percent level
- 35 percent of the New Agent Bonus paid at the 15 percent level

To be eligible for the bonus – the SA, GA or MGA must have a certain number of "codes" in the month. A "code" will be defined as a first-time bonus qualifier (new agents who earned a weekly bonus for the first time).

MGA Bonus

MGAs are eligible for a monthly bonus equal to a percent of the monthly Net ALP on each Producer under the MGA who earns a Retention Bonus for the month. The bonus is available on personal production of Individual Producers, SAs or GAs coded under their hierarchies. There is no maximum number of Producers on which a MGA can receive a bonus.

Below are the guidelines for eligibility, and the bonus percentages paid based on the contract date of each eligible Producer.

- Must have one new "code" in the qualifying month. A "code" will be defined as a first-time bonus qualifier (new agents who earned a weekly bonus for the first time). With one code in the month, the MGA would be eligible for 50 percent of the bonus. If the MGA has two codes in the month, the MGA is eligible for 100 percent of the bonus.
- Must promote one person to MGA per year or within one year of becoming a MGA to maintain eligibility for the MGA bonus.
- Excludes personal production of MGA.

Bonus Percentages Available Based on the Contract Date of the Producer:

9-12 months from contract date	10 percent of Net ALP
13-24 months from contract date	5 percent of Net ALP
After 24 months	3 percent of Net ALP

For more details on these bonuses, speak to your SGA.

Opportunity Unlimited Revisited!

When Mr. Rapoport started American Income Life in 1951, he did so with the idea that he would provide a place where common men and women could achieve uncommon success both personally and professionally. He also knew that he wanted a company where everyone starts their career as an agent, but if you dream big and implement realistically, you could achieve the most coveted and financially rewarding of all American Income contracts — that of State General Agent.

More than fifty years later, that spirit still fuels the opportunity at American Income Life.

We are postured for explosive growth and expansion over the next few years. We believe we have an incredibly diverse and talented pool of Agents, Supervising Agents, General Agents, and Master General Agents who, given the right motivation and guidance, can compel this company to be a leader in the industry. We will be pro-actively seeking out any leaders who feel they have what it takes to build and lead their own sales organization.

On the News page, you may have noticed the announcement that we are looking for individuals interested in becoming new SGAs. This is just the type of opportunity unlimited I am talking about!

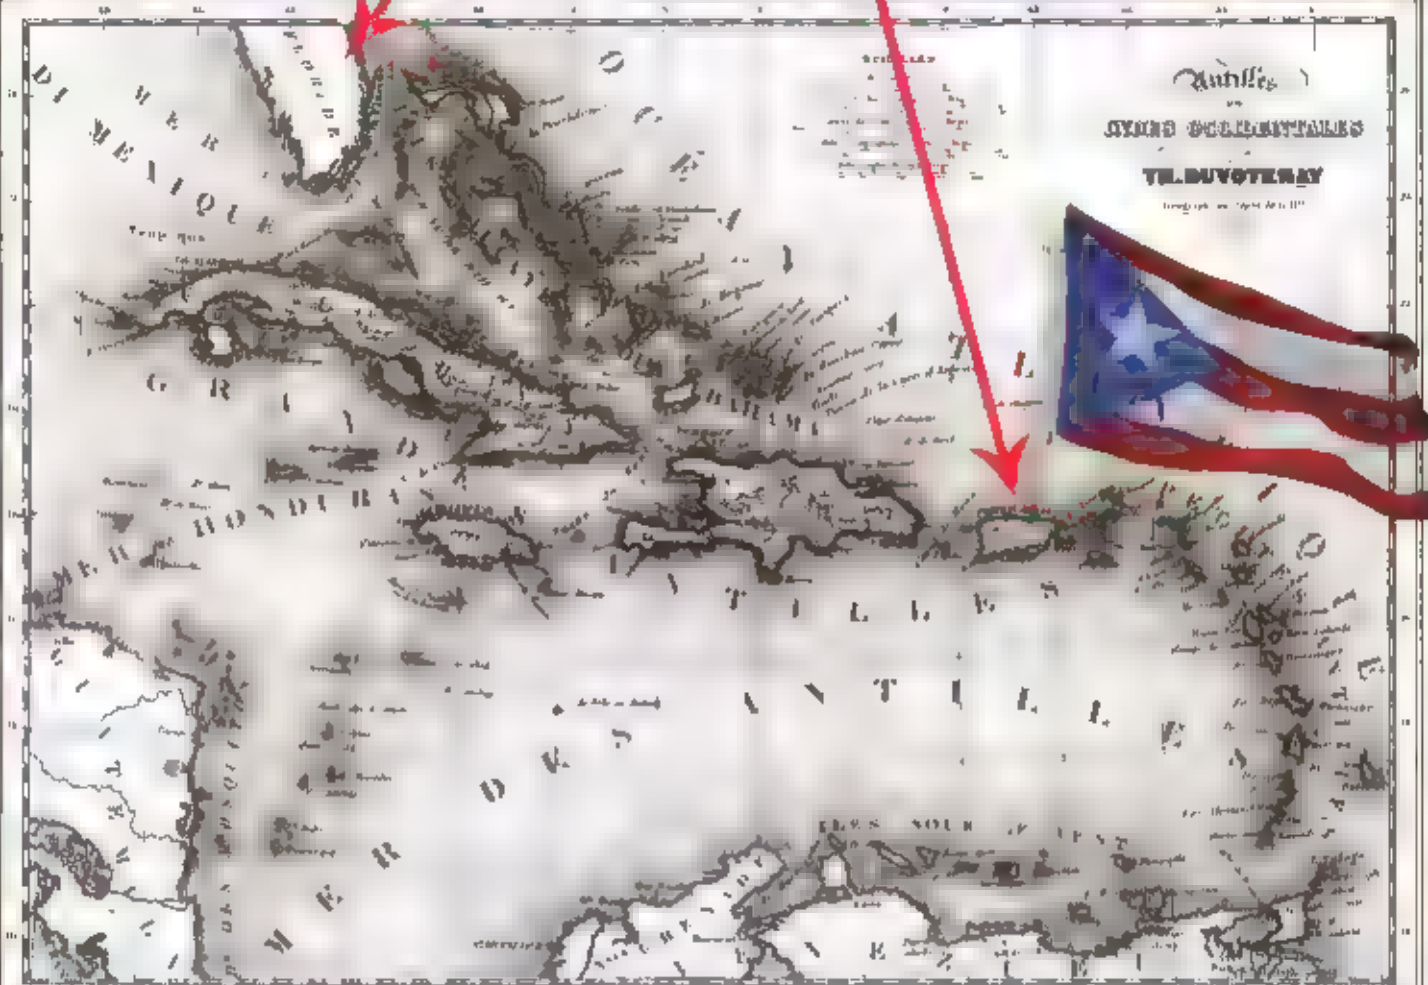

You may be wondering: Am I the right person? Ask yourself the following questions:

1. *Am I an accomplished Field Trainer?* Our company is a "show and tell" company.
2. *Am I committed to recruiting?* Always, always recruit!
3. *Do I put emphasis on proper training?*
4. *Can I replicate myself?* Developing other leaders is a key component to growth.
5. *Am I a motivator?* If you constantly need to be motivated by others, you can't be the motivator.
6. *Do I lead by example?*
7. *Do I believe in myself?*

In closing, I want to share with you one of the most powerful opening paragraphs in any book I have ever read. The book is *The Power of Positive Thinking* by Norman Vincent Peale.

"Believe in yourself! Have faith in your abilities! Without a humble but reasonable confidence in your own powers, you cannot be successful or happy. But with sound self-confidence you can succeed."
